Food Handler Courses

Food Handler Courses – the following web sites are locations for the Illinois Food Handler Training. Individuals log onto the website and complete the training, as well as take a 40 question test. After they pass the test, they will be allowed to print a food handler card. All the individuals that are working in the restaurant will need to have either the food handler card, or the Illinois Food Service Sanitation Manager Certification. Both the Food Manager Certificate and the food handler cards must be at the food service establishment at the time of inspection.
